An egg race for the ladies, with a beautiful white silk purse as the prize, was contested for by Mrs. Newton Gearty, Miss Jennie Thompson, Mrs. J. M. Levy and Mrs. Clifford Gearty. Mrs. J. M. Levy was the winner.

A fifty yard dash was run by the following: Mrs. Kate Payne, Mrs. Ernest Tucker, Miss Hazel Payne and Miss Lillie Kirk. Miss Pace won the prize, a lady's hand bag.

Mr. Knight won the looking glass for being the ugliest man on the grounds. Many little babies were primped up and offered by their anxious mothers in the baby show for the prettiest baby under three years of age, for which a handsome comb and brush were given. These were won by little Dorris Brauer, daughter of Mr. and Mrs. J. S. Brauer, then followed a show race for the boys, which was won by John Thomas. A pocket knife was the prize.

The game of base-ball in the afternoon between "Patrolmen" Brownies and the West Point boys attracted a large

FIRST DISTRICT WON THE HONORS

Captain Whitlock's Men Defeat Captain Hulce's in Target Practice.

PRIVATE BAILEY THE STAR

First District Patrolman Carries Off the Individual Honors.

The Scores.

"Anyway it's all in the family," said Sergeant F. C. Bailey of the First District yesterday, when Private N. W. Bailey (no relation) scored twenty-four points in the target practice at the Seventh Regiment, and thereby snatched from the sergeant the distinction of being the best shot on the force.

"He's no relation of mine, yet he belongs to the down-town district, and I am satisfied. Patrolman Bailey did some good shooting when he scored that twenty-four points. I didn't mind losing the distinction of being the high shot at all, since the First District man took it from me," were the words of jovial Sergeant Bailey. He had just inspected the score board and seen the good work done by the private.

With a majority of thirty-six points the First District walked off with the honors of yesterday's target practice at the Seventh Street Armory. The victory adds greatly to the percentage column of this district, and at the same time lowers the marksmanship of the officers of the Second District. Out of four shots, the lower district men have won three times.

Private N. W. Bailey yesterday afternoon made the highest score that has yet been made. Out of a possible thirty he scored twenty-four points, defeating Sergeant Bailey by two points. Until this time the sergeant was entitled to the distinction.

Patrolman Schief, who on Monday made twenty-four points when the official practice was not on, only scored two points yesterday.

The First District platoon scored 160 points against 124 for the Second District officers, making a difference of 36 points.

First District.

Below can be found the scores made by the officers of the first district: Sergeant Kerse, 10; Sergeant Bailey, 15; Privates—Green, 10; Crump, 2; Duke, 10; Perry, 24; Jennings, 15; Bryant, 10; Sherry, 15; Fowlkes, 13; Duggins, 4; Gary, 4; Tucker, 15; Johnson, 20. Total 160.

Second District.

Sergeant Holderfast 10; Sergeant Sowell, 8; Privates—Krenzel, 9; Stocker, 8; Matern, 3; Booker, 3; Hulcher, 17; Newman, 11; Pilew, 3; Clarkson, 15; Wiley, 16; Thurman, 10; Schief, 2; Dugan, 2. Total 124.

Chief Werner set a good example for his men yesterday when he fired at the target. Running for about fifteen steps he scored 18 points. The target was set at the six shots and scores out of a possible thirty, fourteen points.

Captain Empe, Inspector of the Police, made a good score, tallying seven points to the good, after firing the target with a contest. The Second District scored eighteen points, which is far above the average. Captain Hulce ran up to the line in good style and brought his revolver over his head with the grace of a professional marksman.

OPPORTUNITIES IN VA.

What a Writer in the National Stockman Has to Say Thereon.

Mr. Algra Aree, a well known correspondent of the National Stockman, a publication of wide circulation, has the following to say of "Farms in Virginia," and of the advantages of this State for home-seekers, especially stock raisers: "The State of Virginia, in the South, is widely known as a successful dairyman and a most acceptable institute lecturer. He has spent many seasons at the Virginia Institutes with Secretary Koener and Prof. Helges, having gone over the State twice thoroughly. You are told some of the opportunities the State offers to enterprising farmers, and after having seen something of the State myself I was glad to meet him a few weeks ago and to learn his present opinion, as it is my own belief that there are far better chances for a man in the South today than in the far West. 'No other State in the Union,' says Mr. Barber, offers such opportunities as Virginia today. The land there is offered at a big bargain. Northern crops are coming in, and we shall see heavier immigration. The old tobacco district you mention has natural strength, and with the cow peas, crimson clover and good northern management it responds quickly. I confess that I was glad to have this endorsement of my own idea that Virginia is all right, and that immigration will turn southward in greater degree."

BROAD STREET PROPERTY.

Large and Valuable Block Bought By Mr. Kaufman. Messrs. McVeigh & Gilpin, real estate agents, have sold and closed up a deal for the sale of 475 feet of vacant land on the north side of Broad Street immediately east of the Hermitage Golf Links to Mr. Isaac Kaufman for the consideration of \$16,025.

This property fronts on the north side of Broad Street and runs back to and fronts on the south side of Marshall Street over 500 feet, and contains four acres, of which is well adapted for manufacturing sites, as it adjoins property of the Richmond, Fredericksburg and Potomac Railroad.

It was impossible to find out from Mr. Kaufman if he intended to use the property for a manufacturing enterprise or to keep it as an investment.

DADY COVERED WITH ECZEMA

Little One So Bad People Said He Could Not Get Well—Mother Then Tried Cuticura, and Found Relief from Start.

PERMANENTLY CURED BY CUTICURA REMEDIES

"Our baby boy when three months old had eczema all over him, so bad that people said he could not get well and (having one case like I had before and doctored with the best doctors, and tried the best diet), I thought I would try the Cuticura Remedies. Before I had used them two weeks I could see that my baby was better. I used them about six months and the sores were all well, but I kept giving him the Remedies for one year, and now he is four years old and the eczema has never come back, and we think it never will, thanks to Cuticura. (signed) Mrs. M. W. Eldridge, Fulton, Okla., June 5, '05."

CAPT. GRAHAM'S CURE

Of Distressing Humor.

"I am so grateful I want to thank God that a friend recommended Cuticura Soap and Ointment to me. I suffered for a long time with sores on my face and back. Some doctors said I had blood poison, and others that I had barbers' itch. None of them did me any good, but they all took my money. My friends tell me my skin now looks as clear as a baby's, and I tell them all that Cuticura Soap and Ointment did it.—Captain W. S. Graham, 1321 Eoff St., Wheeling, W. Va., June 14, 1904."

AND STILL ANOTHER

"For over thirty years I suffered from painful ulcers and an eruption from my knees to my feet, and could find neither doctors nor medicines to help me, until I took Cuticura, which cured me in six months. (signed) M. C. Moss, Gainesville, Tex."

WANTED TO SLEEP.

Curious That a Tired Preacher Should Have Such Desires. A minister speaks of the curious effect of Grape-Nuts food on him and how it has relieved him.

"You will doubtless understand how the suffering with indigestion, with which I used to be troubled, made my work an almost unendurable burden, and why it was that after my Sabbath duties here in performance, sleep was a stranger to my pillow till nearly daylight.

"I had to be very careful as to what I ate, and even with my care I experienced poignant physical distress after meals, and my food never satisfied me.

"Six months have elapsed since I began to use Grape-Nuts food, and the benefit I have derived from it are very definite. I no longer suffer from indigestion, and I began to improve from the time Grape-Nuts appeared on our table. I find that by eating a dish of it after my Sabbath work my nerves are quieted down so now, my sleep is undisturbed and I feel that I could not possibly do without Grape-Nuts food, now that I know its value. It is invariably on our table—we feel that we need it to complete the meal—and our children will complete the meal—and they cannot be parted from Grape-Nuts anything else." CAN ONLY HAVE JAIL PHYSICIAN

Judge CLOPTON Denies Request for Private Physician to Attend Mrs. Smith.

CONTRARY TO HIS RULE

Counsel Wish Dr. Gordon to Attend the Woman, But the Judge Will Not Consent.

Judge William I. CLOPTON, of the Corporation Court of Manchester, has again refused the request of Messrs. H. M. Smith and Ernest Wells, counsel for Mrs. Estelle Townsend Smith, that the latter be allowed to have her own physician visit her privately in the jail.

Judge CLOPTON sets forth in a letter his absolute confidence in the ability of Dr. Lawrence Ingram, the jail physician, to treat Mrs. Smith, and says he sees no reason why he should break his long established practice in her favor. On the other hand, counsel for the prisoner state that doctors prefer to examine a patient without the presence of another doctor, unless such doctor has been called in by the attending physician for consultation.

The request for a private physician comes, it is stated, from Dr. Wiener Townsend and Mrs. Townsend, brother and mother of the prisoner.

Letter of Councilman.

A copy of the letter sent by Messrs. Smith and Wells, and of the answer of Judge CLOPTON, follows: "William I. CLOPTON, Judge of the Corporation Court of the City of Manchester: "At the earnest request of Dr. W. R. Townsend and his mother, we respectfully ask Your Honor to permit Dr. W. S. Gordon, of the City of Richmond, to visit and treat Mrs. Estelle Townsend Smith, now confined in the jail of this city, and whose trial has just been completed.

"Mrs. Smith is suffering from constitutional troubles, and it is earnestly desired that Dr. Gordon be allowed to visit the jail and treat Mrs. Smith.

"Please permit us to say that this request is entirely independent of the case, and not intended to obtaining, in anywise, evidence to be used in the same. (Signed) "H. M. SMITH, JR., (Signed) "E. WELLS.

The Judge's Reply.

Judge CLOPTON sent the following reply: "Manchester, July 10, '05. "H. M. Smith, Jr., and E. H. Wells, Esq., Counsel for Estelle Smith: "Gentlemen:—Your note of this date has been duly considered.

"I see no reason why my visit concerning the treatment of prisoners in our city jail should be altered. Dr. Lawrence Ingram, the physician appointed by this court to attend prisoners in this city, is a competent and eminent in his profession, and has my entire confidence as a physician. Indeed, I employ him frequently as my own physician. You have my consent that Dr. W. S. Gordon may attend your client in consultation with Dr. Ingram, in his presence, not just as a private physician, but not otherwise. "I am, very truly yours, "WILLIAM I. CLOPTON."

AFTER PRISONERS.

Gov. Montague Honors Requisition From North Carolina. Gov. Montague yesterday issued a rendition warrant on a requisition from Gov. Glenn, of North Carolina, for Fletcher Hopkins and McKinley Hopkins, who are now under arrest at Bristol, Va., and who are wanted in Haywood County, N. C., for the murder of Mack Kilby. Officer W. J. Watson, after securing the papers, left for Bristol to take the prisoners back to North Carolina for trial.

Fletcher Hopkins is alleged to have shot and killed Kilby in the winter of 1902, and it is charged that he was aided in the commission of the crime by his son.

The two, with a woman named Sutton, are said to have fled across the mountains, and were apprehended at Bristol, Va., and taken to the jail here. It is said that the killing grew out of the whipping of Hopkins' boy by Kilby. The boy had been living for some time in the West, and upon being informed of the whipping of his son through a letter from his wife, came home, went with his son to Kilby's house, called him out and shot him.

DEATH OF JOHNSON

Pernett Mitchell, charged with the murder of Anderson Johnson, another negro, was sent to the grand jury by Justice Crutchfield yesterday morning. Johnson was struck in the chest by Mitchell on the third of July. He was taken to the pavement and his skull fractured by the fall. The coroner testified yesterday that Johnson was evidently drinking at the time, the autopsy showing that he had been drinking. Johnson was represented by Mr. Harry Smith, and the Commonwealth was looked after by Justice John, who acquitted himself an excellent fencing attorney.

CAPT. G. W. TAYLOR WINS IN A WALK

Defeats Mr. N. Thomas Mosby for Fire Commissioner.

GETS NEARLY TWO TO ONE

Old Officer Comes Out With Flying Colors in Council.

After a long and spirited campaign between former Alderman N. Thos. Mosby and Capt. G. Watt Taylor (Incumbent) for Fire Commissioner from Marshall Ward, the latter won out in a joint session of the Council last night by the overwhelming majority of thirty-two to seventeen. Capt. Taylor got good majorities in both branches.

The friends of Mr. Mosby had said for the past few days that their man would win in a walk, and even after they got into the chamber last night they said they would at least be able to tie Capt. Taylor, if not defeat him.

Capt. Taylor is a prominent merchant in Marshall Ward, and has been on the Fire Board for about twelve years. There was not a great deal of speaking, though both the candidates were warmly praised, as to both character and qualifications, by the friends of both.

Mr. Thos. Whittey was re-elected Police Commissioner from Monroe Ward. Mr. C. P. Phillips succeeded himself as First Clerk in the Treasurer's office.

Turpin Presides.

The joint session was called to order at 8 o'clock by President Turpin, of the Board. A communication was read from His Honor, the Mayor, calling attention to the fact that the term of First Clerk C. P. Phillips, of the Treasurer's office, had expired on July 1st, and on motion of Mr. J. B. Wood, the rules were suspended and an election gone into.

Mr. Phillips was re-elected, on motion of Mr. John Mann, by acclamation.

On motion of Mr. Gunn, Mr. Thomas Whittey was elected his successor as Police Commissioner from Monroe Ward, his motion having been warmly seconded by Mr. Cannon.

Fire Commissioners Fight.

Mr. Satterfield, of Marshall Ward, nominated Captain George Watt Taylor to succeed himself as Fire Commissioner from Marshall Ward, and he paid him a fine tribute.

Mr. Wasber named Mr. N. Thomas Mosby and Mr. Zimmerman seconded Captain Taylor's nomination, and he praised him warmly for his long and valuable services as Fire Commissioner, and earnestly asked that he be re-elected.

President Peters, of the lower branch, spoke at some length, and declared his vote had practically been challenged.

He wanted to turn no man out of office, but he had a right to vote for others than the incumbents when terms were about to expire. The office belonged to the people, and he proposed to vote as he said, for the best interests of the people.

Mr. Peters spoke earnestly in favor of Mr. Mosby's qualifications, though he said he knew nothing against Mr. Taylor. Mr. Blair spoke for Captain Taylor, and as an insurance man, warmly praised the present management of the Fire Department. He declared that Captain Taylor was the peer of any member of the board, and should, therefore, be re-elected.

Taylor Wins Easily. The roll was then called, and Mr. Taylor was re-elected by the following recorded vote:

For Taylor—Messrs. Beck, Blair, Donahoe, Gilman, Gruntz, Mann, Reynolds, Satterfield, Alderson, Gruntz, Zimmerman, Turpin, Atkinson, Baskins, Cannon, Curtis, Dickerson, Donahoe, Ferguson, Garber, Glenn, Grimes, Lee, Lynch, Masurier, McCaw, Miner, Morton, Umhart, Well, West, Williams and Whitaker—22.

For Mosby—Messrs. Adams, Cottrell, Dalany, Gunn, Minor, Wishes, Whittey, Wood, Gates, Hobson, Miller, Pollard, Pollock, Richardson, Spence, Woodburn and Peters—17.

The joint session then dissolved and the regular session of the Board was called to order and adjourned in a few moments to allow the lower branch to meet.

Licensed to Wed.
